

Our Expertise

PROPERTY, CONVEYANCING & CONSTRUCTION

Advising buyers, sellers, investors, developers, and construction parties across residential, commercial, general property advice, and specialist property matters. From first home purchases and subdivisions through to contracts, procurement, defects, and construction disputes — practical, detail-focused support at every stage.

CORPORATE & COMMERCIAL

Supporting businesses from establishment through to transactions and restructuring — covering incorporation, shareholder agreements, business sales, commercial arrangements, and insolvency-related matters. Commercially focused advice that draws on the firm's wider expertise where needed.

TRUSTS, SUCCESSION & ESTATES

Specialist advice on trusts including ongoing trust administration and corporate trustee services, wills, enduring powers of attorney, estate administration, and broader asset planning — including trust disputes. Clear, sensitive guidance through life transitions, future planning, and the resolution of estate or trust-related disagreements.

RELATIONSHIP PROPERTY

Advising on relationship property, contracting out agreements, separation, and asset division. Whether planning ahead or resolving a separation, the team provides measured, legally robust guidance tailored to each client's circumstances.

FAMILY LAW

Practical advice in parenting and guardianship disputes, paternity matters, family violence proceedings, surrogacy, adoption, and matters involving Oranga Tamariki — including representation in the Family Court. Whether navigating care arrangements or responding to family violence, the team provides compassionate, legally robust representation tailored to each client's circumstances.

CRIMINAL

Experienced representation through criminal investigations and court proceedings. The team provides clear advice on rights, process, and strategy — ensuring clients are properly supported and informed at each stage.

Our Expertise

IMMIGRATION & HUMAN RIGHTS

Specialist representation in deportation appeals, refugee and protected person claims, and broader human rights matters. The team appears before Immigration New Zealand, the Immigration and Protection Tribunal, and the Courts — supporting clients through high-stakes immigration issues.

INSURANCE

Strategic advice on claims, coverage disputes, and insurance litigation, whether acting for claimants or defendants. Where matters escalate, the team supports clients through negotiation, mediation, and court proceedings with commercially focused, specialist guidance.

EMPLOYMENT & HEALTH AND SAFETY

Advice to employers and employees on agreements, restructuring, redundancy, workplace investigations, and disputes — including representation before the Employment Relations Authority and Courts. Additional expertise in workplace health and safety obligations, employment prosecutions and migrant exploitation investigations and prosecutions.

LITIGATION & DISPUTE RESOLUTION

Underpinning the firm's full-service offering, Young Hunter's litigation team assists clients in resolving disputes through negotiation, mediation, or court proceedings — with a consistent focus on clear strategy, commercial realism, and robust advocacy.

NOTARY PUBLIC

We can provide Notary Public services to authenticate and certify documents, signatures, and transactions for use overseas.
